

Steps of Paul Journey & 3-night Greek Island Cruise: A 10-Day Adventure with Mike Signorelli and Guests

September 01-10, 2025

I've carefully crafted this 10-day journey for just 100 people because I want to personally experience these powerful sites alongside you and minister together where the early church was born. Imagine standing on Mars Hill where Paul boldly proclaimed the Gospel to the philosophers of Athens, or walking through ancient Corinth where he spent 18 months building one of the earliest Christian communities. Through God's amazing provision, we'll be experiencing both mainland Greece and a stunning 3-night cruise through the Greek islands, including Patmos where John received the Revelation! We'll be joined by expert Biblical scholars who will bring Paul's missionary journeys to life as we visit Thessalonica, Philippi, and Ephesus.
